

## The Blenker Companies – President's Award

The President's Award is presented to a member who has worked tirelessly to benefit the Association. Pam Jewell and Jason Blenker were selected because of their leadership and dedication to building positive relationships between associate members and builder members. Pam has given countless hours to the Association through her involvement in GSHBA as the 2004 President and by serving on a number of GSHBA committees. Pam also received the Builder of the Year Award in 2002 and 2003, Leadership Award in 2005, President's Award in 2006 and The Outstanding Membership Award in 2007. She is currently the WBA North Area VP. Jason has been actively involved since 2001, was a Board Director from 2005-2007, and has chaired the 2009-Parade of Homes, 2006-P.R. and 2007-Scholarship Committees. In 2009 Blenker Building Systems, Inc. was the Parade of Homes Platinum Sponsor.
