

## Members Honored for Service to GSHBA

### Leadership Award and Builder of the Year Award - Jeff Currier

The Leadership Award was established in 2001 to recognize our retiring president. The Builder Member of the Year Award is pre-

sented to a builder member who exemplifies the Associations' commitment to the community and the industry.

Currier Builders has been a member of GSHBA since 1989.

Jeff has served on the GSHBA Board of Direc-

tors since 2001 and has been a WBA Director since 2005. He has worked on numerous GSHBA committees and has chaired the "Build a Better WI," Community Service, Maintenance and Nominating Committees. As the 2010 President, Jeff looked carefully at

our operations and took reasonable steps to safeguard existing service levels, programs and the financial health of our Association, even during these difficult economic times. It has been a challenging year, and our Association is lucky to have such a dedicated member.

### Outstanding Member Award - Pam Jewell

The Outstanding Member

Award is presented to the GSHBA member who has benefited the Association over the past year by showing an extraordinary commitment to the membership, the community and the industry.

Pam Jewell fits these criteria perfectly with her dedication to GSHBA, WBA and the building industry. Pam has

given countless hours to the Association through her involvement in GSHBA as the 2005 President and by serving on a number of GSHBA committees. She also received the GSHBA Builder of the Year Award in 2002 and 2003, GSHBA Leadership Award in 2005, GSHBA President's Award in 2006 and 2009 and the

GSHBA Outstanding Member Award in 2007. In 2009 and 2010 Pam received the WBA Top Spike Award for GSHBA and in 2010 the WBA Rising Star Award. She is the immediate past chair of the WBA Membership Committee and is currently serving as the WBA North Area vice President.

### President's Award - Chris Stensberg

The President's Award is presented to a member who has worked tirelessly to benefit the Association.

There is a lot that goes on behind the scenes at GSHBA which members often do not see. Chris Stensberg is one of our members who is fre-

quently behind the scenes working on GSHBA projects and events. Central Graphics has been a member of the Association since 1983, and does all of GSHBA's regular printing and publishing. Chris assumed control of the business in 2005. Even when GSHBA has a

last minute or special printing project, Chris is always ready to help us out, usually for free or at a reduced price. He is a standing member of the Parade Committee and publishes our annual Parade Booklet.
